RE: Update

Dear Brimley Area Schools Family:

I hope you all had a wonderful Christmas with your family and had some time to relax. Winter finally made it to our region, so please get out and enjoy the snow and fresh air. Take this time to make some lasting memories that are positive and not over-shadowed by the pandemic. A new year is coming!

As was stated at our Special Meeting held on December 3rd, that the Board of Education would revisit the decision to return to face-to-face instruction at another Special Meeting to be held on December 28th. The Board of Education met last evening, and after much discussion, it was recommended that we remain in remote learning until January 11th, 2021. This decision will allow for the 10 days after the holiday season to see if there is a rise in cases within the community. It is our hope that the case count will continue to trend downward and that will allow for a safer reopening of face-to-face instruction. There is another Special Meeting scheduled for January 7th to review relevant data from the Chippewa County Health Department that will help drive further decisions.

We will continue to deliver food for those who have been on our list and resources during the week of January 4th with the hope of a return to face-to-face instruction on January 11th. If you would like to be placed on the food delivery list, please call the central office, or email Mrs. Tremblay at: dtremblay@eupschools.org.

Thank you so very much for all you are doing to assist your children with their education as we continue working through this pandemic together. We hope to see their smiling faces on January 11th. Have a great NEW YEAR!

Respectfully,
